

Standardized Fields

Colleges may request the following fields to be on their application. If they request these fields, they must use the standardized version below.

Name and Address | Permanent Address | Text Authorization

Immediately following Phone Type [#], please **ADD** a new checkbox field with the label “Authorization to text this number”.

Note: this field will not be added to Colleague. It must be associated with a phone number and phone type.

Personal Information | Applicant Information | Gender Identity

Immediately following the “Sex” field, please **ADD** a new List field with the label “Gender Identity:” with the following dropdown options. The text on the left is the label and the two-letter abbreviation is the value.

Agender/Alt Gender	AG
